Powder-coated in
satin black finish

PRODUCT OVERVIEW

Protect the speaker surround and cone from damage with this high-quality speaker and subwoofer grille. Durable stamped metal mesh with a satin black powder-coated finish gives this grille an updated, stylish look. It is designed for high excursion speakers and subwoofers with deep bass to protect audio quality when audio is played at high volume.

Features:

- Stamped metal mesh grille
- Satin black powder-coated finish
- Mounting hardware included
- Universal applications
- Available in the following sizes: 6.5", 8", 10", and 12"
