

## AXAMP-FD3 INTERFACE

## Amplifier Integration Interface

### Fits Select Ford Models **2018-2023**

This vehicle-specific 6-channel amplifier integration interface from Axxess enables the installation of aftermarket amplifiers for enhanced sound quality while retaining the vehicle's original radio and features. This interface includes an external bass knob for additional audio output level adjustments.

Visit [AxxessInterfaces.com](https://www.AxxessInterfaces.com) for more detailed information about the product and up-to-date vehicle specific applications.
