PRODUCT OVERVIEW

This RF remote works with all Heise Connect controllers to operate RGB, RGBW, or chasing lighting systems. If you've lost or damaged the remote that came with your controller, this is a convenient replacement. It will also act as a secondary remote if you simply wish to have a backup or have more than one person control your vehicle's LED lights at the same time.

Features:

- Works with HE-RGB-CB, HE-RGBW-CB, HE-CHASE-CB, and HE-CHASELV-CB Heise Connect controllers
- 1-year warranty

Includes:

- RF Remote
- Battery
