

95-7640B
PREMIUM DASH KIT

HARDWARE INCLUDED

Infiniti **G37** 2008-2013

(Excluding convertible with Bose models)

Visit MetraOnline.com for more detailed information about the product and up-to-date vehicle specific applications.

KIT FEATURES

- Factory-style hard buttons with laser etched graphics and rotary knobs retain and allow control of climate functions shown on an included 7-inch touchscreen display
- Designed for most DDIN radio installations in the lower dash location
- A shallow mount or modular radio can be installed in the upper dash location
- Integrated hazard button and passenger airbag indicator light
- Retains audio controls on steering wheel and back-up camera when equipped
- Painted scratch resistant matte black
- Supported Languages include English, Spanish and French

Note: The clock and compass in the driver's information center will no longer be functional.

Note: Amplifier not retained in convertibles
