PREMIUM SPEAKER ADAPTER KITS

SALES 386-257-2956

PRODUCT OVERVIEW

New premium speaker adapters kits that allow the installer to easily replace a pair of speakers in a vehicle with one convenient kit. This kit will include speaker adapter plates that allow fitment for most popular aftermarket speaker brands and allows for a direct size replacement of the factory speaker. No need for cutting or modification to the door panels or side panels of the vehicle. Also included is a pair of speaker harnesses that maintain the factory wiring in the vehicle and easy install for the aftermarket speaker. These 13 new kits are vehicle specific so please visit MetraOnline.com for vehicle applications.

- ABS speaker adapter plates (pair)
- Speaker adapter harnesses (pair)
- One convenient package to assist in replacing a pair of speakers
