### PRODUCT OVERVIEW

These stylish and durable keystone-style lights are designed to fit between the fender and saddlebags. The lights come with a plug-n-play T-harness and attach to the rear fender easily with no drilling required for easy installation. High-performance LEDs display brake and turning lights for added visibility on the road.

- Fits select models with hard bags
- LED brake and turning lights
- Mounts to the rear fender
- No drilling required
- Includes T-harness
