

## Amplifier Bypass Harness

### Fits Select Toyota Sienna Models **2004-2014**

Always verify speaker output by testing with a tone generator, or similar device before making connections. The output locations follow the manufacturers' terminology for the speakers.

Visit [AxxessInterfaces.com](http://AxxessInterfaces.com) for more detailed information about the product and up-to-date vehicle specific applications

#### INTERFACE FEATURES

- Amplifier bypass harness
- Vehicle-specific harness to bypass the factory amplifier
