PRODUCT OVERVIEW

This platinum easy-reach hard card is an industry favorite and a must-have installation tool for installing window tint, vinyl wraps, signs, and other soft films. This card is designed specifically to reach difficult corners, as with quarter glass window tint application. Multiple angled corners allow better access to narrow areas than traditional square cards without having to trim one of them to size to meet your installation needs.

Features:

- 3-angle silver-colored hard card installation tool for window tint, vinyl wrap, PPF, etc.
- Design with multiple angles for flexibility
- Squeegees out trapped air and moisture from film in tight areas
- Hard flex for greater reach (firmer than Gold EZ Reach)
- Internal lubrication to minimize scratching of film
- 1-year warranty
