PRODUCT OVERVIEW

This pair of 7-inch LED headlights with RGB halo comes with a Heise Connect controller to make it easy to add a vibrant spectrum of colors, seamless control, and endless customization options to select Jeep® vehicles. The headlights each have an output of 3600 lumens for the high beam and 1800 lumens for the low beam. Durable polycarbonate lens covers make them an ideal solution for adventurous Jeep® owners. The included Heise Connect RGB controller has two wireless control options; an included remote control or via the free downloadable Heise Connect mobile app for smartphones and tablets. This set works cohesively with all Heise RGB lighting as part of the Heise Connect Universe (HCU).

- Wattage: 100 watts (50 watts each)
- Lumens: 3600lm (high beam), 1800lm (low beam)
- Color temperature: 6500K
- Housing material: Die-cast aluminum alloy
- Lens: Polycarbonate
- IP rating: IP67
- Operating voltage: 12V
- Operating temperature: -40°F to 140°F
- Heise Connect RGB controller included
- H4 to H13 connectors included
- 3-year warranty
- Jeep® JK models with factory LED headlights are not compatible with this product
- An additional headlight bracket set (JP-JLB7) is required for installation in JL models 2018-Up and JT models 2020-Up (sold separately)
- An additional decoder and adapter (JP-H4H13DE) is required for installation in Wrangler JK models 2010-2018
