OS-TESLACTR CENTER CHANNEL SPEAKER KIT

PRODUCT OVERVIEW

These direct-replacement 1" tweeter & 4" midrange speakers are designed to fit select Tesla Model 3 and Model Y models center channels. These speakers offer easy plug-n-play installation and are designed to fit exactly in place of the factory center channel speaker location to upgrade the audio system for enhanced sound quality.

Features:

- Direct fit plugs
- Lightweight, rigid composite paper and wood fiber cone design for a natural vocal reproduction
- Precision-engineered silk dome tweeters
- Neodymium magnets deliver immense motor force while maintaining compact size and lightweight design
- 1-year warranty

Includes:

- 2 direct-replacement speakers
- Vehicle-specific speaker harness
- Instruction manual
